# An On-Course **Crash Course**

## What They Are Saying

*Hi Christina & Marc:*

*I enjoyed being part of the group that went out on the course with you both on Sept. 16th. There was a lot of information to glean from you both. We girls golf together often and continually remind each other of the points that we learned while attending your course. I personally now feel more empowered knowing the correct rules and etiquette. There was a lot to learn that day and I refer to my Survival Guide book as a reminder when needed. Thank you both for a fun and educational day.*

*Regards,  
Steffi Small*

*Hi Marc, What a great course you and Christina presented. We all enjoyed it and I believe we did learn many new points. I keep referring to my notes and earnestly keep trying to do what they say. I thought the Par 3 course was very good too. It's in great shape and not an easy one either. It was perfect to try out our new info. You are a wonderful instructor and I recommend you to all of my friends. Wishing you the best of luck with the crash course, it is a valuable tool to the hackers of the world. Christina is so personable, you make a great team for this endeavor. I want to say the one thought that comes to my mind every time I go to hit the ball. "Hit below the equator!" So far it has worked! Thank you so much Marc! Christina, I love your book and refer to it often. We had a perfect day and just wanted to let you know. The new lessons learned are much appreciated and I wish you and Marc luck in your future endeavors. Janice*

*Hi Marc,*

*The On-Course Crash Course was fun and informative. I think that you and Christina have a very marketable seminar or clinic in the making! It was so nice to actually go out on the course and cover topics not normally covered in a lesson.*

*Thanks again,  
Kathy Gostanian*

*I was one of eight ladies who attended the "On Course Crash Course" with Marc and Christina Ricci. I wanted to let you know that the session was just what I was looking for. It not only was very informative but great fun. Marc and Christina are a great team and did a wonderful job presenting the facts. It was a perfect set up going out on different holes to demonstrate tricky lies, rules and golf etiquette. Definitely beats sitting inside in a classroom atmosphere. I think you all at Atkinson have really hit on something. I don't know any other club that offers a session like this.*

*Thank you for the great job you all do at a great course.  
Deb Welch*

*p.s. At the session I did purchase Christina's Eagle Package and have found the book and DVD's full of great information and tips. Between that and lessons with Marc I hope to lower my handicap.....finally!*
